

Ecumenical Prayer Meeting

March 11, 2010,
from 6:30-9:00 pm,
at the Donau City Church Cellar,
VIC, 1220 Vienna.

„The prayer meeting itself aims to gather Pinoys in Austria and encourage their broadest participation in the entire May 2010 Philippine Election process. It also seeks to unite the Filipino Community over the need to pray collectively, to appreciate the power of prayer and the value of the Holy Scriptures and to treasure Christian and Catholic songs, culture and tradition. Moreover, it puts forward the need to recognize and support the call on the Philippine government thru petition to put an end to the political killings, harassment and intimidations. Furthermore, the prayer meeting shall be a means of enabling the Filipino community to experience bonding together and feel the love for one another and for our Motherland.“
